# Adding Integers (A)

Name:_____ Date:_____ Score:_____

Calculate each sum.

−1 + 14   =                    −11 + −13 =

17 + −1   =                    −20 + −3   =

3 + −13 =                      −12 + −9   =

18 + 9    =                    16 + −3   =

18 + 13   =                    20 + 6    =

19 + 4    =                    3 + 20    =

10 + 15   =                    −18 + −8   =

20 + 9    =                    −16 + −8   =

−16 + 1    =                   13 + 3    =

−16 + −6   =                   −18 + −5   =

−13 + 18   =                   −15 + −15 =

17 + −2   =                    12 + 16   =

−19 + −2   =
