

# Lattice Multiplication (J)

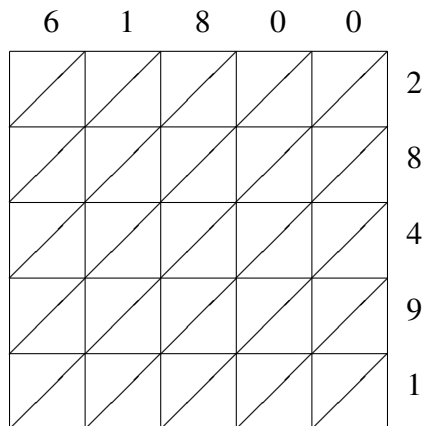

Use lattice multiplication to find each product.

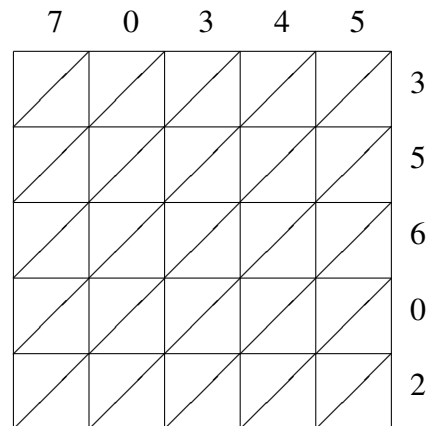

$$25326 \times 39261 = \underline{\hspace{2cm}}$$

$$10103 \times 85781 = \underline{\hspace{2cm}}$$

$$61800 \times 28491 = \underline{\hspace{2cm}}$$

$$70345 \times 35602 = \underline{\hspace{2cm}}$$
