

Division (C)

Calculate each quotient.

$\frac{195}{\div 13}$	$\frac{9}{\div 3}$	$\frac{56}{\div 8}$	$\frac{16}{\div 4}$	$\frac{77}{\div 7}$	$\frac{120}{\div 15}$	$\frac{165}{\div 15}$	$\frac{180}{\div 15}$	$\frac{165}{\div 11}$	$\frac{108}{\div 9}$
-----------------------	--------------------	---------------------	---------------------	---------------------	-----------------------	-----------------------	-----------------------	-----------------------	----------------------

$\frac{90}{\div 15}$	$\frac{8}{\div 4}$	$\frac{39}{\div 13}$	$\frac{14}{\div 7}$	$\frac{56}{\div 14}$	$\frac{21}{\div 7}$	$\frac{55}{\div 5}$	$\frac{80}{\div 10}$	$\frac{14}{\div 2}$	$\frac{24}{\div 8}$
----------------------	--------------------	----------------------	---------------------	----------------------	---------------------	---------------------	----------------------	---------------------	---------------------

$\frac{42}{\div 3}$	$\frac{42}{\div 3}$	$\frac{120}{\div 8}$	$\frac{30}{\div 10}$	$\frac{108}{\div 12}$	$\frac{36}{\div 12}$	$\frac{70}{\div 10}$	$\frac{40}{\div 5}$	$\frac{72}{\div 6}$	$\frac{182}{\div 14}$
---------------------	---------------------	----------------------	----------------------	-----------------------	----------------------	----------------------	---------------------	---------------------	-----------------------

$\frac{28}{\div 14}$	$\frac{49}{\div 7}$	$\frac{24}{\div 12}$	$\frac{14}{\div 1}$	$\frac{16}{\div 8}$	$\frac{5}{\div 1}$	$\frac{15}{\div 15}$	$\frac{28}{\div 2}$	$\frac{60}{\div 5}$	$\frac{195}{\div 15}$
----------------------	---------------------	----------------------	---------------------	---------------------	--------------------	----------------------	---------------------	---------------------	-----------------------

$\frac{10}{\div 1}$	$\frac{24}{\div 8}$	$\frac{6}{\div 6}$	$\frac{77}{\div 11}$	$\frac{30}{\div 15}$	$\frac{75}{\div 15}$	$\frac{54}{\div 9}$	$\frac{28}{\div 2}$	$\frac{28}{\div 4}$	$\frac{42}{\div 3}$
---------------------	---------------------	--------------------	----------------------	----------------------	----------------------	---------------------	---------------------	---------------------	---------------------
