

# Parts of a Group (F)

In this group  
there are 2 shapes  
and 1 is filled in.

$$\frac{1 \text{ shape filled in}}{2 \text{ shapes in group}} = \frac{1}{2}$$

Write a fraction for each of the following models.

# Parts of a Group (F) Answers

In this group  
there are 2 shapes  
and 1 is filled in.

$$\frac{1 \text{ shape filled in}}{2 \text{ shapes in group}} = \frac{1}{2}$$

Write a fraction for each of the following models.
