## Instructions

- Your teacher will call out multiplication questions.
- You must quickly calculate the answers to the questions.
- If an answer matches any of the numbers on your bingo card, you may cover that number with a bingo chip.
- The middle space may be covered with a bingo chip without answering a question.
- To win, your bingo chips must be in a pattern that is specified at the beginning by your teacher (e.g. line, x, full card).
