

Lattice Multiplication (I)

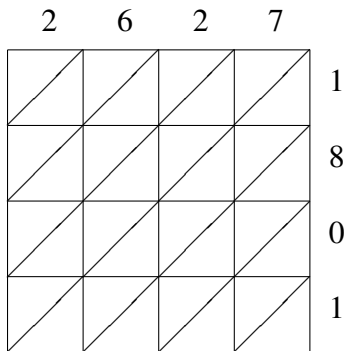

Use lattice multiplication to find each product.

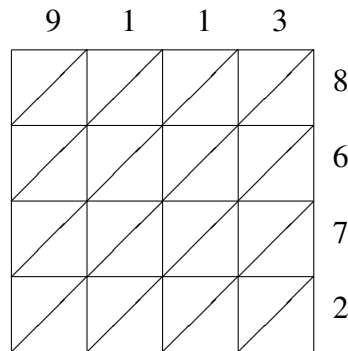

$4145 \times 5507 = \underline{\hspace{2cm}}$

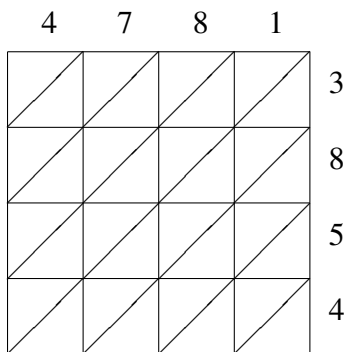

$4311 \times 9600 = \underline{\hspace{2cm}}$

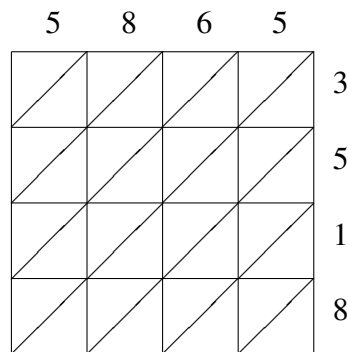

$2627 \times 1801 = \underline{\hspace{2cm}}$

$9113 \times 8672 = \underline{\hspace{2cm}}$

$4781 \times 3854 = \underline{\hspace{2cm}}$

$5865 \times 3518 = \underline{\hspace{2cm}}$
