

## Converting Octal to Decimal (E)

Write each octal number as a decimal number.

1.      Octal = 7  
        Decimal =

2.      Octal = 62  
        Decimal =

3.      Octal = 672  
        Decimal =

4.      Octal = 1265  
        Decimal =

5.      Octal = 1007  
        Decimal =

6.      Octal = 1723  
        Decimal =

7.      Octal = 254  
        Decimal =

8.      Octal = 520  
        Decimal =

9.      Octal = 21404  
        Decimal =

10.     Octal = 21517  
        Decimal =
