Instructions

1. Use the group stage tally/points chart or another source to find the first and second place winners in each group and record them in the Group Stage Winners chart.
2. Transfer the winners to the knockout stage chart by matching the number and letter codes.
3. For each game in the knockout stage, follow the lines to the single box and write the winner in that box.
4. For the third place match, write the losers from the semi-finals in those boxes.
5. Cut out and use the flags on the next page to decorate your charts.
