

Thanksgiving Ratios (C)

Find each ratio and simplify, if necessary.

$$\begin{array}{l} \text{Pie Slice} : \text{Leaf} = \quad : \quad = \quad : \quad \\ \text{Leaf} : \text{Pie Slice} = \quad : \quad = \quad : \quad \end{array}$$

$$\begin{array}{l} \text{Turkey} : \text{Pumpkin} = \quad : \quad = \quad : \quad \\ \text{Pumpkin} : \text{Turkey} = \quad : \quad = \quad : \quad \end{array}$$

$$\begin{array}{l} \text{Turkey} : \text{Pie Slice} = \quad : \quad = \quad : \quad \\ \text{Pie Slice} : \text{Turkey} = \quad : \quad = \quad : \quad \end{array}$$

$$\begin{array}{l} \text{Pumpkin} : \text{Leaf} = \quad : \quad = \quad : \quad \\ \text{Leaf} : \text{Pumpkin} = \quad : \quad = \quad : \quad \end{array}$$

Thanksgiving Ratios (C) Answers

Find each ratio and simplify, if necessary.

$$\text{pie slice} : \text{leaf} = 11 : 6 = 11 : 6$$

$$\text{leaf} : \text{pie slice} = 6 : 11 = 6 : 11$$

$$\text{turkey} : \text{pumpkin} = 6 : 6 = 1 : 1$$

$$\text{pumpkin} : \text{turkey} = 6 : 6 = 1 : 1$$

$$\text{turkey} : \text{pie slice} = 10 : 6 = 5 : 3$$

$$\text{pie slice} : \text{turkey} = 6 : 10 = 3 : 5$$

$$\text{pumpkin} : \text{leaf} = 6 : 8 = 3 : 4$$

$$\text{leaf} : \text{pumpkin} = 8 : 6 = 4 : 3$$
