

# Sketching Time on Analog Clocks (B)

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Sketch each time on the clock face above it.

1.

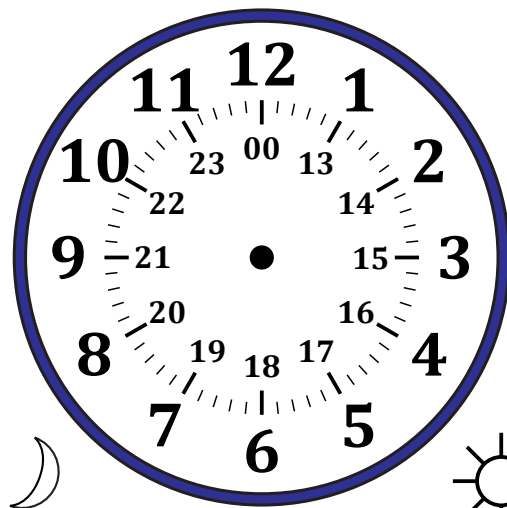

22:07

Noon

Midnight

Detailed description: A circular analog clock face with a blue border. The outer ring has numbers 1-12. The inner ring has numbers 00, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23. The time 22:07 is indicated by a sun icon on the left and a crescent moon on the right. The time '22:07' is written below the clock face.

2.

02:27

Midnight

Noon

Detailed description: A circular analog clock face with a blue border. The outer ring has numbers 1-12. The inner ring has numbers 00, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23. The time 02:27 is indicated by a crescent moon on the left and a sun icon on the right. The time '02:27' is written below the clock face.

3.

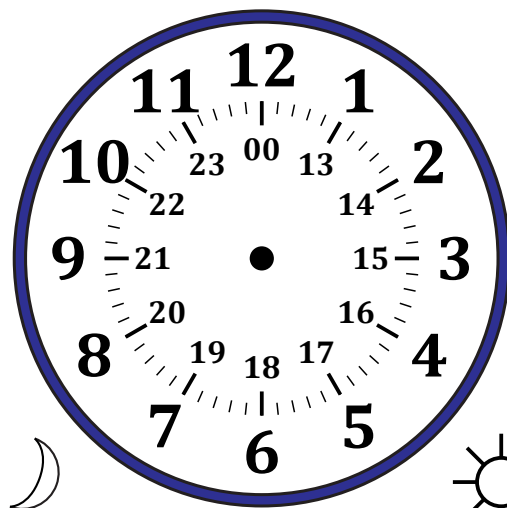

13:02

Noon

Midnight

Detailed description: A circular analog clock face with a blue border. The outer ring has numbers 1-12. The inner ring has numbers 00, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23. The time 13:02 is indicated by a sun icon on the left and a crescent moon on the right. The time '13:02' is written below the clock face.

4.

09:29

Midnight

Noon

Detailed description: A circular analog clock face with a blue border. The outer ring has numbers 1-12. The inner ring has numbers 00, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23. The time 09:29 is indicated by a crescent moon on the left and a sun icon on the right. The time '09:29' is written below the clock face.
